Mr. John N. McMahon  
Deputy Director  
Washington, DC 20505

Dear Mr. McMahon:

I will be taking a group of Southwestern students to Washington DC as part of class between the dates of May 1 and May 20 this spring. While in Washington, we will be involved in seminars with officials of the executive, legislative and judicial branches of government.

This letter is a request asking you to spend some time with us in an informal seminar to discuss Administration policy on the CIA's role in domestic and foreign subversive activities. We would also be interested in a tour of the CIA building as a way of learning more about the activities of the CIA. This topic is of great interest to our students, many of whom will be future leaders in their community. We would be willing to come to your office for a presentation.

This is an excellent group of juniors and seniors who are spending considerable time reading and researching topics in preparation for this trip.

I hope that you can find time for a presentation. Please send a letter or call to let me know what day and time might be convenient for your purposes.

Thank you for your help in this matter.

Sincerely,

*Michael P Kirby*
